## **Clear Space Theatre Spring Performance Schedule Update**

**REHOBOTH BEACH:** Clear Space Theatre is rehearsing their improvisational skills with the scheduling of their spring shows for this season. Due to the COVID-19 crisis and the need to be closed potentially until May 15<sup>th</sup>, Clear Space is modifying the performances dates for Spotlight on Young Performers HIGH SCHOOL MUSICAL, URINETOWN, and CONSTELLATIONS.

Clear Space knows the importance of live theatre to the community and is committed to raising the curtain on rehearsals and performances as soon as it is healthy and wise for patrons, actors, crew and staff. Because information regarding safety precautions is changing so frequently, Clear Space is not releasing the performance dates yet but hopes to perform all three shows before the summer repertory opens the end of June with SISTER ACT, LA CAGE, and CABARET.
