URGENT INFORMATION – HEADS UP

Due to an issue in the Delaware, Pennsylvania and Maryland area, cellular users are unable to call 911. If 911 services are needed, the public is strongly encouraged to use a land line (house/office phone).

This issue is also affecting cellular to land line calls and land line to cellular calls. The state E9-1-1 Office continues to work with the cell providers to identify the issue and a timeline when the service will be restored.

For a complete Calendar of Events, visit the Chamber website - www.beach-fun.com. If you have questions, please give Carol a call on the member hotline at 227-6446, or her cell phone at 542-7547.
