**REGISTER NOW FOR THE WSFS AND CHAMBER SPONSORED CYBER FRAUD
BREAKFAST INFORMATION SESSION**

The Chamber has partnered with WSFS to provide a breakfast presentation on cyber & payment fraud, account takeover, and computer malware attacks. This no-cost information session is scheduled for **Tuesday, June 2, 2015-8-9:30 AM at Kings Creek Country Club.**

The presentation will address recent trends in payment fraud and the options available to keep your business safe. In addition to a demonstration of a malware attack, WSFS Bank and the Delaware State Police will present case studies and take a look at practical approaches to prevent threats. They will also share some technical and operational controls that can be put into place so you don't fall victim to cyber fraud! This eye opening and informative session is designed for CEO's, CFO's, and key financial associates, as they will likely play a larger role in the fight against cyber fraud and how businesses protect against it. Space is limited- reserve your seat now by contacting Joy at joy@beach-fun.com or (302) 227-2233 x14.
